Here we are:

Donna, sitting on the grass getting her picture taken. Looking all pretty like.

1. Oh Ray, I wish I was a painter just like you!
2. Oh Ray look at that one, he's got his finger in his nose.
Haha. So cute!
3. Jesus Christ Donna when are you due?
4. Oh Ray, you're so mysterious! But at the same time, so simple and plain.
Oh Ray can't you get rid of those reflections? I just want to see them clearly for once.
They're so cute. Look, sometimes they look at us just like we look at them.
5. Jesus Christ Donna I can't even tell the difference!
6. Oh Ray you're right. Who knows what to look at?
7. Jesus Christ Donna, ever feel like you're carrying the whole world around?
8. Oh Ray I sure do. Sometimes I feel like I am the whole world!
9. Oh Ray we can't keep on like this forever.
10. Jesus Christ Donna, it's nothing, relax I'm just playing in the light baby. Can't you see?
You know, light, like that monkey in the middle?
11. Oh Ray what in gods name are you talking about? I don't understand a thing you're talking about!
Either you start making sense or you just cut it out now!
12. Jesus Christ Donna it's really black and white. The light, the light that's coming out from you,
thats the light that's falling on me. It's like...It's like when you put something out there and
it finds its way back to you.
13. Here, try this: Why was six afraid of seven?
14. Oh Ray I've heard this one, everyone's heard this one. Won't you just cut it out?
15. Jesus Christ Donna c'mon, just play along.
16. Oh Ray because seven ate nine.
17. Jesus Christ Donna
18. Jesus Christ Donna for heaven's sake, it's not always going to hit you over the head!
Sometimes it does. Sometimes its a shape, sometimes its...
19. Oh Ray but...
20. Jesus Christ Donna this is what makes us us. This is why we look in the mirror everyday
and say `am I good enough'?
21. Oh Ray please don't start putting those words in my mouth!
22. Oh Ray please don't.
23. Jesus Christ Donna you're not going to start talking about L-O-V-E are you?
24. Oh Ray can't we keep winding on like this for a little while longer?
25. Oh Ray please can't we?
26. Jesus Christ Donna I'll say what I'll say.
27. Oh Ray but I never understand, I never understand.
Just take the picture already.
